Violin Maker

1001 West Main Street • Carmel, TN 46032 • Phone (317) 818-2326

TRADE-IN & RE-SELL POLICIES

Trade-in Policy

The original owner of an instrument or bow from The Violin Shop of Old Carmel may trade the *undamaged* item for a more expensive one at any time by paying the difference of the new item and the original purchase price. Take into consideration that re-hairing bows, replacing strings, touch-ups, and re-gluing will be taken out of this total. Instruments and accessories with broken wood make this policy invalid.

Re-sell Policy

We will re-sell the instrument for the original owner at the purchase price minus only a small commission and cost of repairs, if needed. Broken instruments or overly repaired instruments will not be accepted for consignment. We will repair the instrument at no charge to the original owner if this instrument is found to be defective after the signing of the consignment contract.

Our Warranty

All instruments at every level are 100% guaranteed to be fine instruments in working condition for one year. We do not cover the damage on any part of the instrument that is caused by outsiders of Violin Shop of Old Carmel. For example, if he/she, outside of Violin Shop, touches the bridge trying to adjust and breaks, we (Violin Shop) are not responsible for the damage.

Old World Knowledge for Today's Musician
